ANNUAL ST. BALDRICK'S FOUNDATION SHAVE YOUR HEAD EVENT

**12 Noon At Port 5**

Hosted by Todd Goodfellow

Todd has been shaving his head for St. Baldrick's to fund childhood cancer research for 18 years. His niece was diagnosed at age 3 and is now a healthy and cancer-free 21-year-old. Members are welcome to come down to donate, watch, shave or all three—it's all about funding the research to find a cure.
